Podfrēq™

Premium FM Transmitter + Dock

Sonnet's Podfrēq premium FM transmitters provide the best sound quality for broadcasting your iPod's tunes to any radio or FM receiver—you can hear the difference. The award-winning, original Podfrēq is compatible with full-size iPod® models with dock connector, while Podfrēq nano features the same electronics in a smaller package made for iPod nano. All Podfrēq models include a handy car charger to keep the tunes going.

Note: Usage regulations for FM transmitters vary by country. Check regulation for your location before using.
